MEMORANDUM FOR: Chief, Support Services Staff, DDS
SUBJECT : Estimated Accumulation of Retired Records

1. We made a survey of Intelligence Directorate components and obtained estimates of total cubic footage of records to be retired to A&R.C., destroyed at A&R.C., and accumulated at A&R.C., 1972 to 1 July 1977. A chart of estimated figures is attached.

2. NPIC officials previously explained to us that NPIC figures refer to photographic film only. NPIC is unwilling to predict figures for accumulation of records other than film until completion of a new inventory of active records.
